Dear Parent / Carer

I am delighted to be writing to you following the offer of a place for your child at The Blue Coat School for September 2026.

Starting secondary school is an important milestone in every child's educational journey. I wanted to take this opportunity to warmly welcome you to our school community and to introduce myself as your child's new Headteacher from September. It is both a privilege and a pleasure to be welcoming you at this exciting time.

I am fully committed to ensuring that every student receives the very best educational experience. Over the past year, we have made significant progress in strengthening our school so that The Blue Coat School offers a welcoming, inclusive and enriching environment, underpinned by the highest standards of teaching and learning.

Throughout the summer term, we will be running a range of transition events designed to help us get to know your child and ensure that their move to secondary school is both smooth and inspiring.

In the meantime, if you would like to take the opportunity to visit the school and familiarise yourself again with our site and staff, please use the email address below with your child's name, current school and preferred email contact. This will enable us to arrange a date and time for you to visit.
