Dear Year 6 Parent/Carer and Student

Over the Summer Term we have a variety of events planned to help ensure the transition phase provides lots of opportunity for you and your child to engage with and get to know Aldworth School. Between now and June we will be visiting the children in their current primary schools to find out a little more about them and their interests. Further to this you will be invited in for transition days and events between now and September.

### **Set for 7 Live**

On 27 March we will be launching our first of 2 live shows for you to enjoy. We aim for these shows to introduce your family to Aldworth School, get to know some of the teachers and school site but more importantly you will be able to interact live with some of the fun and games. The show will last approximately 35 minutes starting at 6.00pm. You can access the show on our Aldworth You Tube channel or by following this link [\[REDACTED\]](#)

If you are unable to watch the show live, it is recorded so you can access it at another time and be available if you would like to refer to it again.

During the live show you will have an opportunity to send in some fun or informative questions you would like us to ask live to some of our students and teachers, as well as predict the result of the chopstick Maltesers challenge, gain insight into lessons and much more. We hope to interact with as many people as possible through the show on Wednesday.

### **Year 7 Transition Facebook Page**

We have created a Facebook page to add communication and details of events. This will not replace letters or key information but will provide an opportunity for regular updates. It is useful for any specific comments and questions can be asked through our school email rather than the page. or [enquiries@aldworth.hants.sch.uk](mailto:enquiries@aldworth.hants.sch.uk)

If you would like to join the group please use this link to take you directly to the page.
