

AFTER SCHOOL CLUB TIMETABLE AUTUMN 2025

Day	Club	Teacher	Location	Year Groups	Description
Tuesday	Creative Club - TBCS 'Make-off!'	Mrs Jen Voce-Newell	B1.1/B1.2	All Year Groups	A mix of the creative subjects - Art, Product Design, Textiles, Food Technology - Members of the club will decide
	GCSE Textiles / Design & Food Technology help and advice	Mrs J Voce-Newell	B2.5 / B1.1	10	GCSE Help and Advice 3pm - 4pm
Wednesday	Warhammer	Mr C Harris	S115	All Year Groups	We build models, paint them and fight them in a tabletop game. There are different factions you can play - we provide models for new members! Running from 3-4pm in S115 on Wednesdays
	French Club	Mrs. Gordon-Bailey	D2.2	All Year Groups	Explore French language and culture through activities like watching films, cooking, games and music while providing a welcoming space for students to practise their French skills.
	Art Therapy Club	Mrs J Voce-Newell	B2.5 / B1.1	All Year Groups	A variety of mindful art and craft activities to help you relax and unwind
	Chapter 1!	Ms N Lamprecht	P1.7	All Year Groups	 Join Chapter 1!  Love stories, poems, or wild adventures of your own making?  Then Chapter 1 is your new creative crew! We meet every Wednesday from 3-4 PM to write, imagine, and share tales that twist, turn, and totally amaze.  Whether you're a secret scribbler or a bold storyteller, all voices are welcome! Expect fun prompts, writing games, and maybe even snacks   . Come for the words, stay for the laughs!  No experience needed — just bring your brain and your imagination! Let the stories begin...  
	Speaking in public	Mr N Pouney	W2.5	All Year Groups	To teach students how to speak in front of others. Reduce the anxiety of speaking and how to deliver a message
	The Math Hub	Ms L Clarke	W2.1	9; 10	The Math Hub is a supportive and friendly club for Year 9 and 10 foundation students who want to improve their understanding and confidence in GCSE Foundation Maths. Whether you're finding certain topics challenging, need help completing homework, or want to get ahead by working through past paper questions, this club is for you. No pressure, no judgment — just the support you need to succeed in Maths.
	KS3 Drama Club	Anna Denman	Drama Workshop	7;8;9	Drama club will explore a variety of drama skills and techniques. This club will act as a foundation club for the school production.
	GCSE Textiles / Design & Food Technology help and advice	Mrs J Voce-Newell	B2.5 / B1.1	10	GCSE Help and Advice 3pm - 4pm
	Menshed	Mr W Marx; Mrs S Coultress	Food tech Kitchen	8;9;10;11	A men's mental health club that allows for them to be able to discuss any difficulties or general problems/feelings they might be experiencing.
Thursday	History Podcast Club	Mr L Pople	S120	7;8;9	For enthusiastic historians who want to discuss and debate History. Similar to a book club, we will listen to a podcast (often the students' choice) and have an informal discussion about its contents. There will be biscuits!

Thursday	Student Newspaper Club	Ms M D Fitzgerald	D3.5	All Year Groups	See yourself as a future journalist or newspaper photographer? You are cordially invited to join our budding editorial team to create newsworthy content for our TBCS website and Facebook platforms.
	GCSE Textiles / Design & Food Technology help and advice	Mrs J Voce-Newell	B2.5 / B1.1	10	GCSE Help and Advice 3pm - 4pm
	Lego Mania	Ms N Lamprecht	P1.7	All Year Groups	🚀 After-School LEGO Club – Build, Create, Conquer! 🏰 Hey LEGO legends! 🧑‍🎓 Are you ready to unleash your imagination, build EPIC creations, and take on awesome LEGO challenges? Then join the After-School LEGO Club! 🌀 What's in store? <input checked="" type="checkbox"/> Build crazy cool structures 🏠 <input checked="" type="checkbox"/> Team up for wild challenges ⌚ <input checked="" type="checkbox"/> Race LEGO cars 🏎️ <input checked="" type="checkbox"/> Create your own mini LEGO worlds 🌍 📅 When? Every Thursday from 3-4pm (after school)! 📍 Where? P1.7 📺 Who? Open to all students who love to build, imagine, and have FUN! No experience needed – just bring your ideas and we'll provide the bricks! 💧 Let's get building! 🏠 🚀 #LEGOclub #BuildTheFun
Friday	Science revision	Mr P Brown	P2.2	9;10	Science revision using past papers either independently or with teacher support
	GCSE Textiles / Design & Food Technology help and advice	Mrs J Voce-Newell	B2.5 / B1.1	10	GCSE Help and Advice 3pm - 4pm
	Mathematics Competition	Ms F. Peterside	W2.6	8;9;10;11	Mathematics competition is a common factor platform for Blue Coat brainiacs who think they can add or simply apply creative thinking as calculus heroes. Math Comp offers student an opportunity to engage in higher order thinking in solving mathematical problems and compete in competitions such as the Olympiad and Kangaro for junior and intermediate challenges
